

PREMKUMAR NARAYAN TAMBEKAR

ACADEMIC DETAILS

Year	Degree / Board	Institute	GPA / Marks(%)
---	B.Tech in Civil Engineering	Indian Institute of Technology Delhi	7.84
2022	Maharashtra Board	S. S. Jr. College, Jambhora	87.17
2019	CBSE	JNV Ratnagiri	97.20
2025	Distance Learning - YCMOU	YCMOU	---

SCHOLASTIC ACHIEVEMENTS

- **CBSE Certificate of Merit** for academic excellence in X Secured 100% marks in Class X Marathi and Mathematics.
- **MSCE Scholarship Exam** Ranked 5th among 9.5 Lakh candidates; awarded state scholarship for academic excellence.
- **Junior Math Olympiad** Achieved first position at cluster level; recognized for outstanding problem-solving and aptitude.
- **Navodaya Examination:** Selected among top 80 of 8,000 candidates; qualified for admission to Navodaya Vidyalaya.

PROJECTS

- **Python Truss Solver** | *Proff. Saikat Sarkar*
 - Developed Python tool computing 2D truss displacements using coordinates; assembled global stiffness matrix for analysis.
 - Verified solver accuracy with example trusses; demonstrated understanding of structural behavior and matrix formulation concepts.
- **Mycelium-Based Composite Study** | *Proff. Shashank Bishnoi*
 - Completed assignment paper on mycelium composite for construction; explored structural, environmental advantages of material.
 - Analyzed potential as sustainable alternative; investigated mechanical properties and feasibility for civil engineering applications.
 - Researched heat and sound insulation properties; thoroughly evaluated potential benefits for sustainable building design.

TECHNICAL SKILLS

- **Civil Engineering Tools:** AutoCAD | ETABS | GIS | Total Station | Python (basic civil simulation, data analytics, automation) | MATLAB
- **Data, Visualization & Design Tools:** Power BI | SQL | SolidWorks | Figma | Canva | Blender | MS Project | MS Excel (Advanced)

AREAS OF INTEREST

Transportation Planning | Geotechnical Engineering | Civil Engineering Materials | Sustainable Infrastructure | Construction Management

POSITIONS OF RESPONSIBILITY

- Enactus IIT Delhi** [March,2024 - Present]
 - A global organisation of students & business leaders creating a better world through innovation & entrepreneurial action.
- **Project Manager** [Feb, 2025 - Present]
 - Assessed supply chain gaps; identified unclear feasibility for small players entering India's premium millet-based products market.
 - Engaged 100+ supply chain stakeholders; built financial model; recommended premium artistic millet cookies for market entry.
 - Initiated NIFTEM partnership; pitched project; advanced NGO pilot discussions to validate solution's market and social impact.
- **Senior Project Associate** [Sept, 2024 - Feb, 2025]
 - Reached 50+ companies, 200+ individuals; secured B2B leads; addressed challenge of large order acquisition.
 - Introduced new product lines based on feedback; strengthened market fit; generated additional leads and product traction.
 - Managed design, production, delivery of 100+ kits under tight deadlines; generated 50,000+ revenue, controlled costs.
- **Junior Project Associate** [March, 2024 - Sept, 2024]
 - Spearheaded 3 field visits, invested 100+ hours; diagnosed biogas plant adoption issues, identified disengaged stakeholders.
 - Developed community communication framework; reactivated 3 plants; ensured smooth operations of 5 biogas plants.
 - Launched market entry efforts; reached 30+ nurseries; introduced gardening kits, mapped demand, forged 2 partnerships.
- AcHead Masquerade Cosplay Rendezvous'24** [Aug,2024 - Oct,2025]
 - Designed high-engagement cosplay event format with prize money; attracted 100+ participants to boost visibility.
 - Reached out to 10+ sponsors; marketed across multiple platforms; generated 1,000+ digital impressions for the event.
 - Secured INR 30,000 sponsorship; actively managed 100+ participants; delivered standout, large-scale event experience.

EXTRA CURRICULAR ACTIVITIES

- **Enactus National'24 Semi-Finalist**, selected among **200+ colleges** for presenting high-impact social entrepreneurship project.
- **Winner**, Blueprint B-Plan Competition, BeCON'24 | **Designed** a comprehensive **project report** supporting Enactus projects.
- **Japanese Language (N5 level)**; pursuing proficiency, demonstrating commitment to cross-cultural communication and learning.
- **Aspire Leadership Program**; interacted with peers from 20+ countries, developing cross-cultural collaboration and leadership skills.
- **Physics Wallah Student Mentor**; successfully **mentored 100+** students in academic and personal development initiatives.
- **Sport's Achievement: Winner**- Interhouse Handball Completion | **Runner Up**- Interhouse Kho-Kho and Kabaddi Competition.
- **Cultural Achievement District Winner** in state level Painting Competition | **2nd Winner** in Hindi Anuvad Lekhan Competition.

PREMKUMAR NARAYAN TAMBEKAR

IIT COURSE

Degree	Institute	CGPA	Dept. Rank
B.Tech in Civil Engineering	Indian Institute of Technology Delhi	7.84	25

COURSES DONE

Civil Engineering Materials, Engineering Geology, Engineering Geology Laboratory, Elements Of Surveying, Mechanics Of Fluids, Mechanics Of Solids, Hydraulics Laboratory, Intro. To Transportation Engg., Soil Mechanics, Transportation Engg. Laborator, Hydraulics, Soil Mechanics Laboratory, Structural Analysis I, Structural Analysis Laboratory, Environmental Science

POSITIONS OF RESPONSIBILITY

• ctivity Head: Events, Rendezvous'24, BRCA (January, 2024 - January, 2025), Activity Head: Events, Rendezvous'24, BRCA (January, 2024 - January, 2025), Project Manager, Enactus, OTH (January, 2024 - January, 2025), Senior Project Executive, Enactus, OTH (January, 2024 - January, 2025), Junior Project Executive, Enactus, OTH (January, 2024 - January, 2025), Activity Head: Events, Rendezvous'24, BRCA (January, 2024 - January, 2025), Activity Head: Events, Rendezvous'24, BRCA (January, 2024 - January, 2025)

EXTRA CURRICULAR ACTIVITIES

- Designer, Enactus Nationals
- Semi-finalists, Enactus Nationals
