EDUCATION

Model Institute of Engineering and Technology (Autonomous) <i>B. Tech in Computer Science: 7.76 CGPA</i>	Jammu, Jammu and Kashmir 2022-2026
SP Smart Higher Secondary School <i>12th Standard: 9.47 CGPA</i>	Jammu, Jammu and Kashmir 2022
ST. Joseph's Convent High School <i>10th Standard: 9.95 CGPA</i>	Jammu, Jammu and Kashmir 2020

PROJECTS

Employee Management System (EMS)

- Developed a dynamic Employee Management System using React.js, featuring role-based dashboards, task tracking, and data persistence through Context API and localStorage.
- Built an intuitive and responsive user interface** with clean component architecture, ensuring seamless user experience and efficient state management.

Movie Ticket Booking Web App: Quickshow

- Built a fully responsive Movie Ticket Booking Web App using React.js and Tailwind CSS, delivering dynamic seat selection, real-time updates, and an engaging, interactive user interface.
- Implemented role-based dashboards for users and admins, with multi-session login and seamless frontend state management using React Hooks and Context API, ensuring smooth navigation and data handling.
- Optimized frontend performance and user experience, integrating dynamic UI components, real time validations, and automated notifications to create a polished, production-ready application.

Personal Portfolio Website

- Developed a responsive personal portfolio website using **HTML**, **CSS** showcasing projects, skills, and professional experience.
- Implemented modern design, interactive elements, and responsive layout**, ensuring seamless user experience across devices and optimized performance.

INTERSHIP/TRAINING EXPERIENCE

Celebal Technologies

May 2025 – July 2025

Frontend Development Training

Jammu and Kashmir

- Completed hands-on frontend training, developing and deploying responsive web pages using HTML, CSS, JavaScript, React.js, and Tailwind CSS, enhancing design and interactivity.
- Gained practical experience in UI development, collaborating in an Agile environment to build user-friendly components and optimize web performance for real-world applications.

RCPL (Ritusha Consultants Pvt. Ltd)

July 2025 – August 2025

DSA Training Program

Jammu and Kashmir

- Selected among the top 100 students** to attend an intensive DSA training program focused on core data structures and algorithms.
- Practiced coding problems and algorithmic concepts, strengthening problem-solving skills and logical thinking for real-world applications.

TECHNICAL SKILLS

Programming Languages: C++

Frontend Development: HTML5, CSS3, JavaScript, TypeScript

Frameworks & Libraries: React.js, Tailwind CSS

Version Control & Collaboration: Git, GitHub

Core CS Concepts: Operating Systems, RDBMS, Computer Networks, Database Management System

Other Tools: VS Code, Code Blocks

ACHIEVEMENTS

HackCrux Hackathon – Runner-UP

LNMIIT Jaipur

- Developed a functional prototype of **AnabellaBot** under strict 24-hour time constraints, demonstrating rapid problem-solving and effective teamwork.
- Delivered an **end-to-end solution**, including frontend, backend, and core automation features, earning **runner-up recognition**.

Winner, Shakti Samvad Technical Poster Competition

IIT BHU(Varanasi)

- Outshine 50+ teams to secure first place and ₹8,000 prize.*
- Demonstrated technical creativity and effective presentation skills in poster design.*
