Education

Indian Institute of Information Technology, Lucknow
M.S. in Economics and Management

July 2023 – June 2025

University of Lucknow
B.Sc. in Mathematics

Aug 2019 – June 2022

Projects

Retail Pulse: Walmart Analytics [↗](#)

- Performed data cleaning, EDA, and SQL analysis to uncover sales trends, customer demographics, and product performance.
- **Tech Stack:** Python (Pandas), MySQL, Jupyter Notebook, Kaggle API.

Real Time Power-BI Dashboard for Blinkit-Analytics [↗](#)

- Drove strategic insights by developing an end-to-end Power BI solution that visualized key performance indicators and sales trends through advanced data modeling and DAX measures.
- **Tech Stack:** Power BI (DAX, Power Query), Data Modeling.

Sales & Customer Dynamics: Supermarkets

- Applied Python-based econometrics: EDA, hypothesis testing, and regression to study customer and product behavior.
- **Tech Stack:** Python (Pandas, NumPy, Matplotlib, Seaborn, Statsmodels), Jupyter Notebook.

Master Thesis

Determinants of Household Expenditure Patterns in Uttar Pradesh: Analyzing the Impact of Income, Demographics and Asset Ownership [↗](#)

Feb 2025 – July 2025

- Applied OLS regression modeling to a primary dataset to quantify the drivers of household spending in Uttar Pradesh. The analysis validated income as the most statistically significant factor and revealed that household structure, particularly the number of dependents, significantly influences consumption behavior.

Skills

Data Analytics: EDA, Hypothesis Testing, Regression, Forecasting, A/B Testing, Econometric Modeling

Programming: Python (Pandas, NumPy, Seaborn, Statsmodels), R, SQL, MySQL

BI & Tools: Power BI, Excel (Advanced Analytics, Pivots, Macros), Jupyter Notebook, Git/GitHub, JIRA, VS Code

Business & Market: Market Analysis, Data-Driven Strategy, Consumer Insights, Decision-Making

Soft Skills: Problem-Solving, Communication, Leadership, Time Management, Client Management.

Certifications

Advanced Google Analytics

[Credential Link](#) [↗](#)

MDP on Fin-tech

[Credential Link](#) [↗](#)

Data Analytics

[Credential Link](#) [↗](#)

SQL (Advanced) - HackerRank

[Credential Link](#) [↗](#)

Python

[Credential Link](#) [↗](#)

Achievements & Activities

IIT JAM 2023 - Qualified

Badminton- Gold Medalist: Organised by Infinito, IIIT Lucknow

5-Star in SQL (HackerRank) [↗](#)

Class Representative : (All Semesters) – M.S. Economics and Management, IIIT Lucknow.

Volunteer Coordinator: Convocation Coordinator at IIIT Lucknow's 2nd Convocation, overseeing Volunteers, Board of Governors, Travel, & Administration, attended by the **President of India & CM of UP and BOGs**.

Host and Volunteer: MDP(Advance Management Development Program) On FINTECH by **MSME**.
