Aligarh, Uttar Pradesh

Summary

Motivated and detail-oriented BCA student with a strong foundation in computer applications, programming, and data management. Passionate about applying technical knowledge to solve real-world problems and eager to gain practical experience in IT, data analysis, or software support. Committed to continuous learning and professional growth while contributing positively to organizational goals.

Professional Outlook

As a fresher, I am keen to begin my professional journey in the IT industry. I aim to leverage my academic knowledge and basic technical skills to take on challenging tasks in data analytics, web development, or technical support. My focus is on building expertise, learning from experienced mentors, and delivering quality results as a dependable team member.
