PROJECT EXPERIENCE:

Proshop - E-commerce Application

MERN Stack | React, Redux, Node.js, Express.js, MongoDB

- Developed a full-stack e-commerce web application with user authentication, product management, and cart functionality.
- Implemented RESTful APIs using Node.js and Express.js for handling users, products, and orders.
- Designed responsive frontend using React and Bootstrap with Redux for state management.
- Integrated JWT-based authentication and role-based access (Admin/User).

Fordream - Blogging Application Backend

Backend Application | Node.js & Express.js

- Developed a simple backend server using Node.js and Express.js.
- Created RESTful APIs to handle client requests and responses.
- Implemented basic CRUD operations (Create, Read, Update, Delete).
- Used Express routing and middleware for request handling.
- Implemented JSON-based data exchange between client and server.
- Added basic error handling and validation for API requests.
- Tested APIs using Postman.

Cyber Pharma – Healthcare Information Website

HTML , CSS ,` Responsive Web Design

- Designed and developed a healthcare-focused website providing information about doctor consultation and blood donation services.
- Created dedicated sections for blood bank availability and donor-related information.
- Implemented an emergency buzzer button feature to highlight urgent medical assistance needs.
- Designed clean and user-friendly UI using HTML and CSS.
- Implemented responsive layouts for better usability across different screen sizes.
- Focused on accessibility and clear navigation for healthcare-related content.

SKILLS:

Frontend : HTML , CSS , JAVASCRIPT , REACT (for making responsive UI's)

Backend : EXPRESS JS , NODE JS , (scalable API development, routing, middleware, and backend)

Database : MONGODB , MYSQL(BASICS)

Tools & Platforms : VSCODE , POSTMAN , (full-cycle development and debugging.)

Education:

B.Tech (Pursuing) – Jagannath University, Bahadurgarh (2023–2027)

12th - Haryana Board, Adarsh Sr. Sec School (2022–2023)

10th - Haryana Board , Shiksha Bharti High School(2020-2021)

Certificates:

Computer Networks And Internet Protocol– SWAYAM (NPTEL)
