PROFILE

Video Editor with hands-on experience editing gaming and short-form content for social media platforms. Skilled in transforming raw gameplay footage into engaging reels and clips using strong pacing, storytelling, and platform-specific formats. Actively building a video editing portfolio through real projects and ongoing collaborations.

WORK EXPERIENCE

Video Editor — Gaming & Social Media Content 2025 - PRESENT

- Edited Valorant gameplay clips into short-form reels and highlights for Instagram
- Applied cuts, captions, sound effects, and transitions to improve engagement
- Optimized videos for social platforms with attention to pacing, hooks, and format
- Currently working on an ongoing gameplay clip project focused on clean storytelling

PROJECTS

Valorant Gameplay Edits (Personal Portfolio) 2025 - PRESENT

- Created short-form gaming videos showcasing highlights, clutches, and montage-style edits
- Experimented with pacing, music sync, captions, and visual effects
- Published edited content on Instagram for audience feedback and performance analysis
