About Me

I am a student of Christ Univeristy(Banneraghatta Road) pursuing my BBA in Finance and International Business. My interests are Video editing and Photo editing. I am eager to work and learn more in this field. I am a 1st year student with no past professional work experience.

Future Aspirations

I am looking forward to learn and gather more information on Finance as well as Social Media Marketing and Content Creation. As I am already into Content Creation, I am eager to learn more on Content Creation and Graphic Designing.
