Education

B.C.A, Mangalayatan University

07/2023 –

I am currently pursuing my graduation at Mangalayatan university, where I am gaining both theoretical and practical knowledge in my field of study. My coursework is helping me develop strong problem-solving skills, technical expertise, and a solid academic foundation. Along with academics, I actively participate in extracurricular activities and projects that enhance my communication, and leadership abilities.

Present

Courses

Web Development, Ducat India

11/2024 –

Completed a comprehensive training program at Ducat Institute, where I gained hands-on experience in modern web development technologies including HTML, CSS, JavaScript, React, Node.js, Express.js, and MongoDB. The training emphasized building real-world projects, problem-solving, and industry best practices, which strengthened my technical skills and prepared me for professional software development roles.
