SUMMARY

Detail-oriented and security-conscious IT professional with hands-on experience in full-stack development and database management. Proficient in Java, Python, SQL, and skilled in building responsive web applications using HTML, CSS, and JavaScript. Eager to contribute to software development, automation, and secure data handling within a fast-paced engineering team.

EDUCATION

MOHAN BABU UNIVERSITY

Bachelor of Technology in Computer Science and Engineering

Aug 2022 - Present

Current CGPA- 8.9/10.0

SKILLS

Programming Languages: HTML,CSS, Python, Java, JavaScript, SQL

Soft Skills: Excellent communication and interpersonal skills, punctual, ability to work independently and in team environments, proactive learner, Leader ship skills

Languages : Telugu, Hindi, English (I can read and write these languages)

Tools : VS Code, GitHub

EXPERIENCE

Tech Octanet Services -Web Development Intern

March 2025-May 2025

- Developed and deployed 5+ responsive web pages using HTML, CSS, JavaScript, and Bootstrap, improving user engagement by 30% through enhanced UI/UX.
- Collaborated with a team of 4 to integrate RESTful APIs and optimize front-end performance, resulting in a 25% faster page load time and better mobile responsiveness.
- Implemented automated testing scripts using Jest and Selenium, reducing bugs in production by 40% and improving deployment efficiency by 20%.

PROJECTS

E-Commerce Website

March 2025-May 2025

Renix

- Designed and developed a full-stack E-commerce website using HTML, CSS, and JavaScript for the front-end and Java with SQL for the backend, enabling secure user authentication, product browsing, and order management.
- Integrated dynamic features such as product search, shopping cart, and checkout functionality with SQL database connectivity, improving user experience and streamlining purchase flow by 60%.
- Collaborated with a team of 3 developers to optimize front-end responsiveness and database performance, reducing page load time by 40% and ensuring scalability for high-volume traffic.

Portfolio

March 2025 - Jun 2025

Octanet Services

- Created a personal portfolio website using HTML, CSS, and JavaScript to showcase projects, skills, and achievements in an interactive and visually appealing format.
- Implemented responsive design principles to ensure seamless accessibility across devices, improving user engagement and visibility by 50%.
- Optimized website performance by reducing load time and structuring reusable code components, enhancing overall site efficiency and maintainability.

Achievements & Certifications

- AICTE - Web Full Stack Developer , Web Development
- INFOSYS SPRING BOARD INTERNSHIP COMPLETION CERTIFICATION
- HACKER RANK Certification for completion of CSS
- SOLO LEARN - Introduction to HTML
- GREAT LEARNING - Crash course on Front End Development, Front-End Development, java

EXTRA-CURRICULAR ACTIVITIES

- Exhibited leadership abilities while coordinating and contributing in the 3-day MOHAN MANTRA event conducted at college.
