EXPERIENCE

- BSRDCL**  May 2025 - July 2025
Industrial Training Patna, India
 - Assisted in site supervision and quality inspection for the BSRDCL 6-lane Ganga Bridge Project, ensuring compliance with structural and safety standards.
 - Supported project documentation, progress reporting, and coordination between on-site engineers and contractors to maintain project timelines of 6-lane Ganga Bridge Project Joining kaachi Dargah to Bidupur.
- BMSICL**  June 2024
Industrial Training Patna, India
 - During this 4 week internship under BMSICL at Larsen and Toubro - PMCH Redevelopment project, I gained hands-on experience in project management, site supervision, and infrastructure development.
 - Additionally, I assisted in reviewing blueprints, preparing reports, and collaborating with contractors and engineers. This internship enhanced my technical skills and deepened my understanding of civil engineering practices within the public health infrastructure sector.

PROJECTS

- Remote Sensing and Machine Learning based Forest Fire Modelling** July 2025
Tools: Python, Google Earth Engine, QGIS, Google Collab
 - Developed Forest Fire Modelling for predicting the probable forest fire occurring zones in Chhattisgarh.
 - Used QGIS with past data for analysing the fire prone areas near forest of Chhattisgarh.
 - Carried out an in-depth forest fire risk study for Chhattisgarh using QGIS by integrating fire point data, land-use layers, and distance-based spatial analysis. Developed clear, reliable, and visually accurate risk maps to support better understanding and decision-making.
