## EDUCATION

- **KLE Technological University, Hubballi** 2022-2026  
B.E Computer Science and Engineering CGPA: 9.31
- **Jss SMPU college, Dharwad** 2020-2022  
Class XII Percentage: 89.6%
- **St Joseph High School Dharwad** 2020  
Class X Percentage: 90.4%

## PROJECTS

- **Distributed Denial-of-Service** 2024-2025  
DDoS Detection and Mitigation Using Unsupervised Learning and PoW.
  - Developed a DDoS detection system using BIRCH clustering, improving detection accuracy to 97%.
  - Reduced false positive rates by 64%
  - Implemented on an OpenStack-based testbed, achieving real-time threat detection.
  - Technology Used: Machine Learning, OpenStack, Mininet.
- **Automatic Text Summarization** 2024-2025  
Enhanced Text Summarization Using a Pointer-Generator Network.
  - Developed an automated text summarization model using Pointer-Generator Networks (PGN), improving summary coherence and accuracy.
  - Achieved 38.86% ROUGE-1 score, outperforming Bidirectional LSTM (BD-LSTM) by 8.16%, indicating better text retention and fluency.
  - Integrated attention and coverage techniques to enhance summary coherence and minimize redundancy.
  - Trained the model on the CNN/DailyMail dataset for scalability and high-quality performance.
  - Technologies: Deep Learning, NLP, TensorFlow, PyTorch.

## TECHNICAL SKILLS AND INTERESTS

**Languages:** C, C++, SQL, Python

**Web Technologies:** HTML, CSS, JavaScript, Node.js, React.js

**Cloud/DevOps Tools:** OpenStack, Amazon Web Services, Docker, Kubernetes (Basic)

**Databases:** MySQL

**Artificial Intelligence:** Pandas, scikit-learn (SKlearn), TensorFlow

**Operating Systems:** Linux, Microsoft Windows

**Soft Skills:** Communication, Teamwork, Leadership, Problem Solving

**Area of Interest:** Web Development, Networking, Cloud Computing, Machine Learning

## WORKSHOPS

**Conducted a comprehensive 3-day workshop on OpenStack Cloud covering:**

- Setup and configuration of both single-node and multi-node OpenStack environments
- Explained usage of OpenStack API tools for resource management

## PUBLICATIONS

- **IEEE Conference, SR University, Hyderabad** 2024-2025  
Presented Research Paper: Enhanced Text Summarization using Pointer-Generator Network

## CERTIFICATIONS

- Infosys - DevOps Foundation Certificate
- Juniper Networks - Getting Started with Networking
- Juniper Networks - Certified Associate, Junos (JNCIA-Junos)
