PROFILE

A highly organized and personable professional with experience leading marketing teams and handling administrative tasks in a fast-paced school environment. I've successfully coordinated campaigns, managed schedules, and maintained smooth day-to-day operations, all while ensuring a welcoming experience for both visitors and staff. With a strong focus on communication and problem-solving, I excel in supporting both the marketing and administrative aspects of school operations, continually striving to enhance efficiency and foster a positive environment.

EXPERIENCE

MLRS Solutions

Market Research (Team Leader)

- Led a team of researchers to complete online data-collection projects using digital tools.
- Managed and checked research data in Excel/Sheets to ensure accuracy and quality.
- Coordinated tasks and reporting through computer-based platforms and virtual communication.

NARAYANA e- TECHNO SCHOOL

Market Associate

11/2024 – 7/2025

- In executing marketing campaigns, fostering a collaborative environment that boosted team productivity and efficiency.
- Served as the first point of contact for parents and visitors, ensuring a friendly, welcoming atmosphere and addressing inquiries with care and professionalism.
- Managed day-to-day office tasks like scheduling, document organization, and maintaining accurate student and school records.

FELIX PRO SOLUTIONS

Market Research Associate

05/2023 – 8/2024

- Collecting data and filling out surveys for clients through various online platforms.
- Gathering databases on various digital solutions through primary and secondary research.
- Meeting targeted goals for each quarter and providing excellent performance.
