

RAUNAK PRABHAKAR

Lakhisarai, Bihar | b23cs041@nitm.ac.in | 8210167230

Career Objective

I am seeking a Front-End Developer position where I can leverage my skills in modern web technologies, responsive design, and user-centric development to build intuitive and high-performance web applications. My goal is to collaborate with cross-functional teams to translate design concepts into clean, scalable code, enhance user experience, and contribute to the development of visually engaging and accessible digital products.
