SUMMARY

A motivated BCA student with a strong foundation in computer science and hands-on experience in C, C++, Java, HTML, CSS, and JavaScript. Knowledgeable in Data Structures and Algorithms, with solid skills in coding, debugging, and building efficient software. Known for problem-solving, attention to detail, and the ability to work well independently or in a team.

EDUCATION

Secondary School | 2020

- Completed 10th in 2020 From CBSE

Senior School

- Completed 12th in 2022 From CBSE with Commerce Stream

Bachelor of Computer Applications (BCA)

- Maharishi Dayanand University/Bimla Devi Educational Society's Group of Institutions. | 2023-2026

SKILLS

Personal skills

- Problem-Solving
- Self-Motivation
- Quick Learner
- Communication skills

Technical skills

- C, C++, Data Structures and Algorithms
- HTML, CSS, JavaScript
- Java, NetBeans
- Python

PROJECTS

Bank Account Management System

Language: C, C++ | Concepts: OOP, File Handling

- Built a console-based banking system supporting account creation, deposits/withdrawals, and transaction history.
- Applied object-oriented principles and file handling for data storage and persistence.

Cafe Menu Webpage

Technologies: HTML, CSS

Designed and developed a static webpage simulating a cafe menu using clean HTML structure and CSS styling. Focused on layout design, visual aesthetics, and responsive formatting.

CERTIFICATION

• Certified C/C++ Programmer – Developer Technologies®

Completed a 12-month certification program covering foundational to advanced concepts in C and C++ programming, including efficient coding practices, debugging, algorithm implementation, object-oriented programming (OOP), and advanced data structures.

• Responsive Web Design Developer Certification – freeCodeCamp.org (July 2025)

Successfully completed 300+ hours of hands-on training in responsive web design. Gained expertise in semantic HTML, modern CSS, accessibility standards, flexbox, grid systems, and mobile-first design principles.

HOBBIES/ INTERESTS

- Coding and Programming
- Learning New Technologies and Software Tools
- Passionate About Software Development
- Problem-Solving Puzzles
