OBJECTIVE

I am Vicky, a motivated and goal-oriented individual currently pursuing a Bachelor of Technology (B.Tech) in Computer Science and Engineering. I excel in management and communication skills, enabling me to coordinate tasks effectively and work collaboratively with diverse teams. With a solid foundation in computer systems and software applications, I am adept at problem-solving, multitasking, and maintaining a proactive approach to achieving both personal and organizational goals. I am eager to contribute to a dynamic work environment and grow professionally.
