

GRAPHIC DESIGNER

Hi, I'm Yogya , a creative Graphic Designer with one year of experience in branding, social media creatives, and digital design using Canva and Figma. As a commerce student at Delhi University, I enjoy combining creativity with clarity to produce visuals that communicate effectively.

EXPERIENCE

Graphic Design Intern : Mastry

Created social media creatives, posters, and promotional designs; successfully completed the internship with a certification. Contributed fresh design ideas and worked closely with the team on brand-oriented visual content.

Social Media Head : 2 College Societies

Led the complete social media design and content strategy across two societies. Designed event creatives, managed posting schedules, and improved engagement through consistent branding.

Freelance Graphic Designer

Designed branding materials and social media visuals for multiple clients using Canva and Figma. Transformed concepts into clean, impactful designs aligned with client goals.
