Experience

UI/UX Lead – Graphura India Private Limited

Jan 2025 - Dec 2025

- Led an 8-member UI/UX team for 9 months, coordinating design efforts, reviews, and stakeholder collaboration.
- Delivered UI/UX designs for CRM software, a jewellery website, and a placement portal.

Freelance Logo Designer – EPOCHFOLIO

Aug 2025

- Designed a clean and professional logo for EPOCHFOLIO, aligning the visual identity with the brand's modern and creative direction.

Freelance UI/UX Designer – Kaashi Jewels

Nov 2024 - Jan 2025

- Designed UI/UX for a jewellery website using Figma and created graphic assets for promotions.
- Shot, edited, and produced photo and video content for social media marketing.

Freelance Logo Designer – QALA Exim

Sep 2024

- Designed a minimalist and professional logo aligned with the brand's import-export business identity.

PROJECTS

CRM Software for Graphura India Private Limited

- Built a responsive frontend interface and designed UI/UX for the CRM platform using HTML, CSS, and JavaScript, ensuring smooth user interaction and accessibility across devices.
- Designed and integrated dashboard and data management features, improving usability for client and sales tracking.

Project Air: Nike UX Redesign

- Redesigned the Nike website in Figma, focusing on a modern, user-centric interface with a clean and dynamic layout.
- Developed detailed wireframes and interactive components to ensure design consistency and efficient prototyping.

QALA EXIM

- Created a modern and minimalist visual identity reflecting the brand's global presence and reliability in international trade.

EXTRACURRICULARS

- **ISA, Leader - Decoration Team** (2024) – Led the decoration team for college-level cultural events, managing theme design, visual elements, and on-ground execution.
- **Technica, Team Leader - Decoration** (2024) – Supervised and executed creative setups for the annual technical fest, ensuring aesthetic appeal and event branding consistency.
