

SHRENIK LUNAWAT

Data Analyst

shreniklunawat21@gmail.com | 9921062027 | PUNE MAHARASHTRA

[LinkedIn](#)

A results-driven Data Analyst with a solid foundation in data analytics, business intelligence, and machine learning. Passionate about leveraging data to solve complex business problems and enhance decision-making. Adept at using tools like Python, SQL, Power BI, and Tableau. Demonstrated success in delivering 3+ data-driven projects that improved outcomes by 20% in academic and business contexts.

SKILLS

Programming & Analytics: Python, SQL, Machine Learning, Statistics

Visualization: Power BI, Tableau, Matplotlib, Seaborn

Databases & Tools: MySQL, Jupyter Notebook, Google Colab, Excel (Advanced)

ML Techniques: Supervised & Unsupervised Learning, Feature Engineering

Soft Skills: Problem-Solving, Communication, Team Collaboration.

WORK EXPERIENCE

CAP Associate

Amazon, Pune

Aug 2020 – Aug 2021 | Sep 2023 – Mar 2024

Resolved high volumes of customer service tickets while maintaining SLA adherence. Managed order tracking, data entry, and internal reporting in Excel. Collaborated with internal teams to identify process gaps and improve response efficiency. Gained valuable experience in structured problem-solving and customer behavior analysis.

Projects

Food and Beverages Sales Analysis

SQL, Power BI

Designed an interactive dashboard to analyze sales trends and customer preferences in the food & beverage industry. Integrated multiple datasets to derive insights on revenue and regional performance. Resulted in a 15% improvement in sales strategy effectiveness.

Academic Performance Metrics

SQL, Power BI

Developed a dashboard to track student academic performance and trends. Enabled educators to identify key improvement areas, leading to curriculum enhancements.

Wine Quality Prediction

Python, Machine Learning

Conducted exploratory data analysis and implemented models (Logistic Regression, Decision Tree, Random Forest) to classify wine quality. Tuned models using cross-validation and hyperparameter optimization for better accuracy.

Education

ITvedant Institute

Data Science and Analytics with AI

2025

Savitribai Phule Pune University

Bachelor of Science in Computer Science

2020 | 60%

EXTRA – CURRICULAR

- Engaged in continuous learning and development through online data science platforms.
 - Regular contributor to data analysis forums and hackathons.
 - Passionate about simplifying complex data concepts through storytelling.
-
